

Authorization for Earth Team Volunteer to Drive Government Vehicle

Permission is granted to _____, a Natural Resources Conservation Service Earth Team volunteer, to drive a government vehicle in the course of his/her Earth Team volunteer work. The government vehicle is to be used only for the completion of the assigned tasks and not for personal use.

This permission is granted for the following time period only: _____.

This letter must be in the possession of the volunteer while using a government vehicle. The volunteer must also possess a valid state driver's license and either an Earth Team volunteer identification (ID) card or a United States Department of Agriculture Government ID card, with "volunteer" clearly stamped on it.

The volunteer must be in good health and have a clean driving record. A seat belt must be worn at all times while the vehicle is in operation. Any violation of the law while operating the government vehicle is the responsibility of the operator.
